## Kingswood Pre-School Prospectus

### Our setting aims to:

- provide high quality care and education for children below statutory school age;
- work in partnership with parents to help children to learn and develop;
- add to the life and well-being of the local community; and
- offer children and their parents a service that promotes equality and values diversity.

### Parents

Parents are regarded as members of our setting who have full participatory rights. These include a right to be:

- valued and respected;
- kept informed;
- consulted;
- involved; and
- included at all levels.

As a community based, voluntary managed setting, we also depend on the good will of parents and their involvement to keep going. Membership of the setting carries expectations on parents for their support and commitment. Parents are always welcome to visit the setting.

We aim to ensure that each child:

- is in a safe and stimulating environment;
- is given generous care and attention, because of our ratio of qualified staff to children, as well as volunteer parent helpers;
- has the chance to join with other children and adults to live, play, work and learn together;
- is helped to take forward her/his learning and development by being helped to build on what she/he already knows and can do;
- has a personal key person who makes sure each child makes satisfying progress;
- is in a setting that sees parents as partners in helping each child to learn and develop; and
- is in a setting in which parents help to shape the service it offers.

## Kingswood Pre-School Prospectus

### Children's Development and Learning

The provision for children's development and learning is guided by The Early Years Foundation Stage (DCFS 2007). From September 2008 the Early Years Foundation Stage became law. This brings together Birth to Three Matters and the Curriculum Guidance for the Foundation Stage. Our provision reflects the four key themes and 16 commitments of the Early Years Foundation Stage.

#### A Unique Child

Child Development: Skilful communicator, competent learner.

Inclusive Practice: Equality and diversity, children's entitlements, early support.

Keeping Safe: Being safe and protected, discovering boundaries, making choices.

Health and Well-being: Growth and developing, physical and emotional wellbeing.

#### Positive Relationships

Respecting Each Other: Understanding feelings, friendship, professional relationships.

Parents as Partners: Respecting diversity, communication, learning together.

Supporting Learning: Positive interactions, listening to children, effective teaching.

Key Person: Secure attachment, shared care, independence.

#### Enabling Environments

Observation, Assessment and Planning: Starting with the child, planning, assessment.

Supporting Every Child: Children's needs, the learning journey, working together.

The Learning Environment: The emotional environment, the outdoor environment, the indoor environment.

The Wider Context: Transitions and continuity, multi-agency working, the community.

#### Learning and Development

Play and Exploration: Learning through experience, adult involvement, contexts for learning.

Active Learning: Mental and physical involvement, decision making, personalised learning.

Creativity and Physical Thinking: Making connections, transforming and understanding, sustained shared thinking.

Areas of Development and Learning.

## Kingswood Pre-School Prospectus

### *How we provide for development and learning*

Children start to learn about the world around them from the moment they are born. The care and education offered by our setting helps children to continue to do this by providing all of the children with interesting activities that are appropriate for their age and stage of development.

The Areas of Development and Learning comprise:

- personal, social and emotional development;
- communication, language and literacy development;
- problem solving, reasoning and numeracy;
- knowledge and understanding of the world;
- physical development; and
- creative development.

For each area, the practice guidance sets out the Early Learning Goals. These goals state what it is expected that children will know and be able to do by the end of the reception year of their education.

The practice guidance also sets out in 'Development Matters' the likely stages of progress a child makes along their learning journey towards the early learning goals. Our setting has regard to these matters when we assess children and plan for their learning.

### *Personal, social and emotional development*

Our programme supports children to develop:

- positive approaches to learning and finding out about the world around them;
- confidence in themselves and their ability to do things, and valuing their own achievements;
- their ability to get on, work and make friendships with other people, both children and adults;
- their awareness of, and being able to keep to, the rules which we all need to help us to look after ourselves, other people and our environment;
- their ability to dress and undress themselves, and look after their personal hygiene needs; and
- their ability to expect to have their ways of doing things respected and to respect other people's ways of doing things.

## **Kingswood Pre-School Prospectus**

### *Communication, language and literacy*

Our programme supports children to develop:

- conversational skills with one other person, in small groups and in large groups to talk with and listen to others;
- their vocabulary by learning the meaning of - and being able to use - new words;
- their ability to use words to describe their experiences;
- their knowledge of the sounds and letters that make up the words we use;
- their ability to listen to, and talk about, stories;
- knowledge of how to handle books and that they can be a source of stories and information;
- knowledge of the purposes for which we use writing; and
- making their own attempts at writing.

### *Problem solving, reasoning and numeracy*

Our programme supports children to develop:

- understanding and ideas about how many, how much, how far and how big;
- understanding and ideas about patterns, the shape of objects and parts of objects, and the amount of space taken up by objects;
- understanding that numbers help us to answer questions about how many, how much, how far and how big;
- understanding and ideas about how to use counting to find out how many; and
- early ideas about the result of adding more or taking away from the amount we already have.

### *Knowledge and understanding of the world*

Our programme supports children to develop:

- knowledge about the natural world and how it works;
- knowledge about the made world and how it works;
- their learning about how to choose, and use, the right tool for a task;
- their learning about computers, how to use them and what they can help us to do;
- their skills on how to put together ideas about past and present and the links between them;
- their learning about their locality and its special features; and
- their learning about their own and other cultures.

## **Kingswood Pre-School Prospectus**

### *Physical development*

Our programme supports children to develop:

- increasing control over the large movements that they can make with their arms, legs and bodies, so that they can run, jump, hop, skip, roll, climb, balance and lift;
- increasing control over the small movements they can make with their arms, wrists and hands, so that they can pick up and use objects, tools and materials; and
- their understanding about the importance of, and how to look after, their bodies.

### *Creative development*

Our programme supports children to develop:

- the use of paint, materials, music, dance, words, stories and role-play to express their ideas and feelings; and
- their interest in the way that paint, materials, music, dance, words, stories and role-play can be used to express ideas and feelings.

### *How we approach learning, development and assessment*

#### *Learning through play*

Play helps young children to learn and develop through doing and talking, which research has shown to be the means by which young children learn to think. Our setting uses the practice guidance Early Years Foundation Stage to plan and provide a range of play activities which help children to make progress in each of the areas of learning and development. In some of these activities children decide how they will use the activity and, in others, an adult takes the lead in helping the children to take part in the activity. In all activities information from the practice guidance to the Early Years Foundation Stage has been used to decide what equipment to provide and how to provide it.

#### *Assessment*

We assess how young children are learning and developing by observing them frequently. We use information that we gain from observations, as well as from photographs or videos of the children, to document their progress and where this may be leading them. We believe that parents know their children best and we ask them to contribute to assessment by sharing information about what their children like to do at home and how they as parents are supporting development.

## **Kingswood Pre-School Prospectus**

We make periodic assessment summaries of children's achievement based on our ongoing development records. These form part of children's records of achievement. We undertake these assessment summaries at regular intervals as well as times of transition, such as when a child goes on to school.

### **Records of achievement**

The setting keeps a record of achievement for each child. Staff and parents working together on their children's records of achievement is one of the ways in which the key person and parents work in partnership. Your child's record of achievement helps us to celebrate together her/his achievements and to work together to provide what your child needs for her/his well-being and to make progress.

Your child's key person will work with you to keep this record. To do this you and she/he will collect information about your child's needs, activities, interests and achievements. This information will enable the key person to identify your child's stage of progress. You and the key person will then decide on how to help your child to move on to the next stage.

### **Working together for your children**

In our setting we maintain the ratio of adults to children in the setting that is set through the Welfare Requirements. We also have volunteer parent helpers where possible to complement these ratios. This helps us to:

- give time and attention to each child;
- talk with the children about their interests and activities;
- help children to experience and benefit from the activities we provide; and
- allow the children to explore and be adventurous in safety.

## Kingswood Pre-School Prospectus

The staff who work at our setting are;

Name / Job Title	Qualifications
Sandra Turner Manager / Supervisor	Level 3 CACHE Diploma in Pre-School Practice Level 2 CACHE Introduction to Pre-School Practice EYFS Implications for practioners working with children aged 3 – 5 years Paediatric First Aid in Childcare Child Protection for Designated Person SENCO training modules 1 - 3 Working with the Early Learning Goals Foundation Stage - Records of transfer Foundation Stage – Knowledge & Understanding Kent Foundation Stage – Future of Early Years Inspection ADHD Autism Awareness Behaviour Management Introduction to Signalong The Environment as the Third Teacher Planning the Play Environment Matters (0 – 3 years) Picture Exchange Communication System (PECS)
Louise Weeks Deputy Supervisor (Job share)	NVQ Level 3 Childcare Learning & Development Paediatric First Aid Working with Parents Nutrition for Early Years Child Protection
Sarah Millen Deputy Supervisor (Job share) Qualified Assistant	Qualified Teacher Status Level 6 (Bachelor of Education) EYFS Implications for practioners working with children aged 3 – 5 years Child Protection Training Level 2 Award in Health & Safety in the Workplace Paediatric First Aid Level 2 Food Safety
Chris Mounser Qualified Assistant	CACHE Level 2 Certificate in Pre-School Practice CACHE Level 3 Diploma in Pre-School Practice (due for completion Dec 2009) EYFS Implications for practioners working with children aged 3 – 5 years First Aid in Childcare Certificate SENCO training modules 1 - 3 Child Protection Inclusion & Equalities in the Early Years

Our session times are as follows;

Monday	9.15	to	11.45 or 12.15
Wednesday	9.15	to	11.45 or 12.15
Thursday	9.15	to	11.45 or 12.15
Friday	9.15	to	11.45 or 12.15

## **Kingswood Pre-School Prospectus**

On Wednesdays we operate a lunch club for older children from 12.15 – 13.00

We provide care and education for young children between the ages of 2 (at supervisor's discretion) and 5.

### **How parents take part in the setting**

Our setting recognises parents as the first and most important educators of their children. All of the staff see themselves as partners with parents in providing care and education for their child. There are many ways in which parents take part in making the setting a welcoming and stimulating place for children and parents, such as:

- exchanging knowledge about their children's needs, activities, interests and progress with the staff;
- helping at sessions of the setting;
- sharing their own special interests with the children;
- helping to provide, make and look after the equipment and materials used in the children's play activities;
- being part of the management of the setting;
- taking part in events and informal discussions about the activities and curriculum provided by the setting;
- joining in community activities in which the setting takes part; and
- building friendships with other parents in the setting.

### **The parents' rota**

Every parent will be asked to join a rota to help with the day to day operation of the group. Duties include; i) preparing the children's snack at the start of session then returning at the end to wash-up / tidy the kitchen and ii) help put away equipment at the end of the session.

These tasks only take about 20 minutes and you may arrive between 8.45 – 9.15, returning at 12.00. This will be on a morning your child attends pre-school.

The setting has a dated rota which parents can sign if they would like to help at a particular session (or sessions). Helping at the session enables parents to see what the day-to-day life of the pre-school is like and to join in helping the children to get the best out of their activities.

## **Kingswood Pre-School Prospectus**

Joining the rota is not the only means of taking part in the life of the setting. Parents can offer to take part in a session by sharing their own interests and skills with the children. We welcome parents to drop into the setting to see it at work or to speak with the staff.

### **Key persons and your child**

Our setting uses a key person approach. This means that each member of staff has a group of children for whom they are particularly responsible. Your child's key person will be the person who works with you to make sure that what we provide is right for your child's particular needs and interests. When your child first starts at the setting, they will help your child to settle and throughout your child's time at the setting, they will help your child to benefit from the setting's activities.

We hold regular parent consultations to discuss your child's development and you are welcome to see your child's file at any time.

### **Learning opportunities for adults**

As well as gaining qualifications in early years care and education, the setting staff take part in further training to help them to keep up-to-date with thinking about early years care and education.

The setting also keeps itself up-to-date with best practice in early years care and education, as a member of the Pre-school Learning Alliance, through the Under 5 magazine and publications produced by the Alliance. The current copy of Under Five is available for you to read.

### **The setting's timetable and routines**

Our setting believes that care and education are equally important in the experience which we offer children. The routines and activities that make up the day in the setting are provided in ways that:

- help each child to feel that she/he is a valued member of the setting;
- ensure the safety of each child;
- help children to gain from the social experience of being part of a group; and
- provide children with opportunities to learn and help them to value learning.

# Kingswood Pre-School Prospectus

## **The session**

We organise our sessions so that the children can choose from, and work at, a range of activities and, in doing so, build up their ability to select and work through a task to its completion. The children are also helped and encouraged to take part in adult-led small and large group activities which introduce them to new experiences and help them to gain new skills, as well as helping them to learn to work with others.

Outdoor activities contribute to children's health, their physical development and their knowledge of the world around them. The children have the opportunity, and are encouraged, to take part in outdoor child-chosen and adult-led activities, as well as those provided indoors.

## **Snacks and meals**

The setting makes snacks and lunch club a social time at which children and adults eat together. We ensure that our snacks provide the children with healthy and nutritious food. Do tell us about your child's dietary needs and we will make sure that these are met.

## **Policies**

You will be made aware of our policies and procedures when you register your child with us, and copies of these are always available for you to see at the setting.

The setting's policies help us to make sure that the service we provide is a high quality one and that being a member of the setting is an enjoyable and beneficial experience for each child and her/his parents.

The staff and committee of the setting work together to adopt the policies and they all have the opportunity to take part in the annual review of the policies. This review helps us to make sure that the policies are enabling the setting to provide a quality service for its members and the local community.

## **Safeguarding children**

Our setting has a duty under the law to help safeguard children against suspected or actual 'significant harm'.

## **Kingswood Pre-School Prospectus**

Our employment practices ensure children against the likelihood of abuse in our settings and we have a procedure for managing complaints or allegations against a member of staff.

Our way of working with children and their parents ensures we are aware of any problems that may emerge and can offer support, including referral to appropriate agencies when necessary, to help families in difficulty.

### **Special needs**

As part of the setting's policy to make sure that its provision meets the needs of each individual child, we take account of any special needs a child may have. The setting works to the requirements of the 1993 Education Act and The Special Educational Needs Code of Practice (2001).

Our Special Educational Needs Co-ordinator is Louise Weeks.

### **The management of our setting**

A parent management committee - whose members are elected by the parents of the children who attend the setting - manages the setting. The elections take place at our Annual General Meeting.

The committee is responsible for:

- managing the setting's finances;
- employing and managing the staff;
- making sure that the setting has, and works to, policies that help it to provide a high quality service; and
- making sure that the setting works in partnership with the children's parents.

All parents are welcome to attend committee meetings but only elected committee members have the right to vote.

The Annual General Meeting is also open to the parents of all children who attend the setting. It is our shared forum for looking back over the previous year's activities and shaping the coming year's plan.

## **Kingswood Pre-School Prospectus**

### **Fees**

The fees are £10.80 for a 3 hour session, £9.00 for a 2 ½ hour session and £2.50 for lunch club payable termly in advance. Fees must still be paid if children are absent with or without notice for a short period of time. If your child has to be absent over a long period of time, talk to the committee chairperson or pre-school manager.

For your child to keep her/his place at the setting, you must pay the fees. We are in receipt of nursery education funding for three and four year olds (12.5 hours per week, 38 weeks per year); where funding is not received, then fees apply.

### **Starting at our setting**

#### *The first days*

We want your child to feel happy and safe with us. To make sure that this is the case, the staff will work with you to decide on how to help your child to settle into the setting. The setting has a policy about helping children to settle into the setting: a copy is enclosed in this prospectus or is available from the pre-school.

Children under 3 years of age are encouraged to attend the shorter session until they are settled in. This will be reviewed by the staff in consultation with parents.

#### *Clothing*

We provide protective clothing for the children when they play with messy activities.

We encourage children to gain the skills that help them to be independent and look after themselves. These include taking themselves to the toilet and taking off, and putting on, outdoor clothes. Clothing that is easy for them to manage will help them to do this.

We like the children to have a change of shoes to wear at pre-school (plimsolls or sensible slippers – no laces). No jewellery should be worn that could cause injury if caught or pulled, and if earrings are worn only studs are acceptable.

### **Finally....**

We hope that you and your child enjoy being members of our setting and that you both find taking part in our activities interesting and stimulating. The staff and committee are always ready and willing to talk with you about your ideas, views or questions.
